Proper Sampling is just as important as the analysis. Please visit our website for sampling instructions.

Samples may be **Shipped or dropped off** at address above. Please **protect submission sheet** and payment from samples, and have them **easily found** in the shipping box. Please make checks out to **University of Tennessee**.

Please ensure at least your **last name/company name** and **sample ID** are on the soil test boxes or bags.

†The University of Tennessee collects and summarizes soil sample data for research and extension education purposes. By submitting this sample you, or your agent, agree to this action.
