

4-H News

September 2024

Welcome to 4-H!

4-H is a youth development program for students that want to have fun and learn new skills. Youth in grades 4-12 are given opportunities to be actively engaged in the learning process through clubs, special interest groups, after-school programs, camps and many other hands-on activities. The 4-H slogan, "learn by doing" allows youth to develop and strengthen life skills to help them become productive, successful adults. We are looking forward to a great year!

4-H Pledge

I pledge my HEAD to clearer thinking,
my HEART to greater loyalty,
my HANDS to larger service, and
my HEALTH to better living,
for my club, my community,
my country and my world.

4-H Service Project

This year, our 4-H Service Project will focus on supplying diapers and wipes for The Care Center that has served Rhea County for more than 30 years. The Care Center is a non-profit organization which is funded solely through donations. All services are provided at no cost to clients. Last year more than 16,000 diapers were donated by caring citizens. Although this is a great number, they often run out.

The Care Center and local families in need of diapers and baby wipes would greatly appreciate your donations. The greatest need for diapers and/or pull ups is sizes 2T-6T.

We will collect these items now through your November 2024. Local dollar stores often have great deals on diapers and wipes - especially store brands!
