Christmas Service Project

Spread the holiday cheer with our December Service Project! We are making holiday and Christmas cards to give to the residents of our local nursing homes. We will be distributing coloring sheets for you to color and write a note, but you are also free to make your own card using whatever materials you like. Your 4-H agent will bring materials to your class in early December and will collect your cards by December 13th.

4-H County Public Speaking

Anyone who receives a blue, red or white ribbon in their classroom 4-H Public Speaking contest is invited to attend the 4-H County Public Speaking contest which will be held in January 2025. Keep watching for more information and be on the lookout for your invitation in the mail.

4-H Chick Chain

It's time to start thinking about chickens for the 4-H Chick Chain project. The day-old baby chicks will be distributed in the spring to local 4-Hers who participate in the project. You will need space to build a small pen in the yard to house the chicks. By signing up, you agree to provide food and shelter until the fall. In the fall, you will select 3 of your best pullets to enter into the 4-H Poultry Show & Sale.

4-H Shooting Sports

If you are interested in being on the 4-H BB or Archery team, please call the Extension office at (423) 775-7807 to be added to the interest list. Limited spots are available. The cost for BB is \$55 and the cost for archery is \$50.
