4-H Chick Chain

It's time to start thinking about chickens for the 4-H Chick Chain project. The day-old baby chicks will be distributed in the spring to local 4-Hers who participate in the project. You will need space to build a small pen in the yard to house the chicks. By signing up, you agree to provide food and shelter until the fall. In the fall, you will select 3 of your best pullets to enter into the 4-H Poultry Show & Sale.

4-H Shooting Sports

If you are interested in being on the 4-H BB or Archery team, please call the Extension office at (423) 775-7807 to be added to the interest list. Limited spots are available. There is a registration fee to participate.
