4-H Public Speaking

Does the thought of speaking in front of large groups make you nervous? Do you want to learn how to be a better speaker? Then the 4-H Public Speaking Contest is for you!

There are four major types of speeches: informative, persuasive, motivational and entertaining.

- Informative speeches give your audience information and facts on a particular subject.
 - Persuasive speeches are used to convince or persuade your audience that your opinion is best.
 - Motivational speeches encourage people to get involved or take some kind of action.
- Entertaining speeches amuse the audience while communicating a message.

Pick a topic that interest you and start planning your speech today! You will give your speech at the November 4-H classroom club meeting.
